

## **LORD, CHANGE ME**

1. Pray, "Open my eyes and show me great and wonderful things from Your word (*Psa 119:18*).
2. Begin reading the passages below. Pray, "Lord, remove all my preconceived ideas about what this scripture is saying. Speak to me fresh today through Your living word". Read Until God stops you.

*Psalm 63*

*Psalm 84*

*Isaiah 55*

*Hebrews 12:1-15.25-29*

3. When you have read until God stopped you, ask Him why He stopped you there.  
Ask God what He is saying to you about:
  - What needs changing
  - Sins or surrender
  - Obedience
  - Promises
  - Direction, re-direction, marching orders
  - Vision and recommissioning for your life
  - Personal revival
  - Affirmation
  - Challenge
  - Relationships
  - His best for you
4. Ask God how He wants you to receive His word for you. Write your responses. Pause and honor God's still small voice. Listen as He gently brings confirmation to your spirit. Express your heart, as you write a letter to your Lord.
5. Continue reading where He leads. Ask Him what else. It may be a cross reference or another passage. Let Him direct you and stop you. Be sensitive, listen and respond. Write down what He is saying.
6. Seal your time by reading and praying (*Psalm 85:6-13*), first for you and them for what God wants it to mean for your family and your church.
